

Table of Contents

Development 3

Introduction 3

System Architecture 3

Data Preparation Pipeline 3

Backend Data Model 3

Analytics Components 3

API Design 3

Front-End Implementation 3

Integration 3

Summary 3

Development

Introduction

Provide here an overview of the contents (structure) of this chapter.

System Architecture

Data Preparation Pipeline

Backend Data Model

Analytics Components

API Design

Front-End Implementation

Integration

Summary

Provide here the conclusions of this chapter and make the bridge to the next chapter.
